KEY FEATURES		Equipped with an attached 20cm flexible straw. For hard-to-reach areas. WD-40. Multi-Use Product has 5 core functions: Stops squeaks. Drives out moisture. Cleans and protects. Loosens rusted parts. Frees sticky mechanisms.	Two ways to spray: Straw down for wide spray. Straw up for precision application. WD-40. Multi-Use Product has 5 core functions: Stops squeaks. Drives out moistre. Cleans and protects. Loosens rusted parts. Frees sticky mechanisms.	Stream spray application for precision spray in tight spaces. Wide spray application for coverage over wider surface areas. WD-40., Multi-Use Product has 5 core functions: Stops squeaks. Drives out moisture. Cleans and protects. Loosens rusted parts. Frees sticky mechanisms.	WD-40. Low Odour is ideal for use in the home or for tradesmen who prefer a low-odour version.  WD-40. Low Odour still delivers the same legendary, five-function performance you expect, with a lower odour: Stops squeaks. Drives out moisture. Cleans and protects. Loosens rusted parts. Frees sticky mechanisms.	Thick, wet, anti-corrosion protection. Leaves a protective film that resists washing off or drying out. Highly resistant to salt, water, acid and humidity.	Removes dust and dirt from hard to reach areas 70 PSI continuous pressure Safe to use on electronics	Removes grease, oil, fat, dirt and grime. Powerful foam works immediately on contact. Easy to rinse with water.	Fast acting, non conductive cleaner. Penetrates quickly and leaves no residue. For use on electrical equipment, contacts, most plastics and most rubbers. Take extra precaution when cleaning energy generating components.	Rapid removal of oil, grease, dirt and brake fluid. Clean without disassembling the unit. Safe to use on brake linings, pads and drums.	Moisture and heat resistant lubricant. Long lasting lubricating spray grease protection against rust and corrosion. For use on metal to metal connections.	Quickly penetrates rusted and corroded parts. Loosens seized fixings. For use on metal, alloys, most plastics and most rubbers.	Dries to leave a non-sticky film. Dirt and dust resistant Superior lubrication and enhanced rust protection. Safe on multiple surfaces including most metals and plastics.* Does not contain PTFE.	Equipped with an attached 20cm flexible straw. For hard-to-reach places. Prevents parts from sticking. Water repellent and protects against moisture. For use on metal, plastic, wood and rubber.*	A high performance lubricant. Prevents parts frosticking. Resists dirt, dust and residue. Waterproofs and protects surfaces from wear. Dries/leaves non-sticky film.	Superior protection. Prevents rust up to one year.*** Non-drip and no-mess lubrication 12x longer lubrication compared to WD-40. Multi-Use Product. Perfect for vertical surfaces.	Outstanding anti-fling properties. Superior anti-wear and penetration. Street and off-road riding.
